Announcement Number: NW0801

Date Opens: NOW

Date Closes: 17 February 2004

Location: Headquarters, Naval Facilities Engineering Command

Area Of Consideration: DoD Commuting Area

About Us: The Military Construction (MILCON) Division is responsible for actions relating to the development, programming, budget review, engineering, construction and administration of all facilities acquisition projects.

About the Job: As Military Construction (MILCON) Program Manager, incumbent is responsible for managing assigned MILCON facilities acquisition projects for Commander Navy Installations (CNI), Commandant of the Marine Corps (CMC), Naval Reserve and/or other clients/agencies as assigned. The Program Manager plays a key role in ensuring that projects are carefully selected and managed to assure that highest priority requirements are funded and efficiently and expeditiously executed each year. Primary duties and responsibilities include: developing and providing policy and guidance; performing program development, coordination and justification; obtaining and allocating resources; maintaining broad oversight of mission performance and preparing and negotiating agreements with other commands as necessary.

DAWIA: S Level III
